

# KGPCo Disaster Recovery Product List

## When the weather is unpredictable, rely on KGPCo

KGPCo is your go-to partner during natural disasters. Our 24/7 emergency support services can ease the stress of responding to natural disasters by delivering the services you need, anytime.

We have experience preparing for and responding to emergency situations to quickly get your network back online. Our after-hours support provides a single point of contact by leveraging our capabilities in distribution and services to put the resources you need in place quickly. The KGPCo service team will verify inventory and work with our distribution centers to ship equipment, arrange transportation, and trace emergency shipments through to delivery.

Regardless of the time of day natural disaster strikes where you live, KGPCo is committed to providing unmatched customer service.
